# Lessons Learned: Squad Leader

## NEW!

**B**ecoming a Squad Leader is the first major step in leading Soldiers. It is the stepping stone to becoming a platoon sergeant and it is the most important job in the Army. As a Squad Leader you make things happen! You are the first leadership link to the Soldier. What you do or fail to do impacts the Soldier, their family, and the unit's mission. These are tried and tested lessons learned that will set you apart from your peers.

Knowing doctrine is not enough. You must know how, when, and where to apply it. This guide does just that by applying real world lessons learned. Use the Subject Matter Expertise contained in this guide to build and grow yourself to become one of the best Squad Leaders in the unit. This book will help prepare you to execute the duties and responsibilities associated with the position of Squad Leader and prepares you to be a better leader. More importantly it will help you focus on mentoring your Soldiers; to become the future leaders of this nation.
